## Emergency Shelter

Almost Home operates the only Emergency Shelter in Brighton and one of only four in Adams County.

We have room in our shelter to allow for six families to stay while working through their journey of homelessness to self-sufficiency and obtaining affordable housing.

## Rental Assistance

Almost Home provides Rental Assistance to families in need. This essential program provides funds that help to ensure families on the brink of homelessness remain in their home.

## Utilities Assistance

Almost Home provides Utilities Assistance for those who find themselves behind or with a shut-off notice. Keeping the light and heat on for a family provides a basic necessity for a functioning household.

## GED & ESL Classes

Almost Home has partnered with Coal Creek Adult Education Center to provide both GED & ESL Classes which are held Monday through Thursday evenings in the Almost Home Community Room.
