

Since 1993 Almost Home has been providing much needed assistance to those in our community that find themselves experiencing homelessness and housing instability. In 2019 we were able to provide assistance to a record number of residents in need. Your investment in Almost Home helped us make an impact and change lives!

Thank You!

“
 Me and my family are very grateful for Almost Home and everyone that donates to this non-profit organization. If it wasn't for all that made donations or helped in any way, me and my family would be without somewhere to live. So from the bottom of our hearts, thank you!
 ”

PROGRAMS

Family Homeless Shelter

Almost Home operates an emergency family shelter that can accommodate up to six families at a time while they work towards self-sufficiency and obtaining permanent housing.

Rental Assistance

Almost Home provides rental assistance to those facing housing instability and possible eviction.

Utilities Assistance

Almost Home provides utility assistance to families that are struggling to pay their bill and possible disconnection.

Water Assistance

Almost Home has partnered with the City of Brighton to provide vouchers to Brighton residents that need assistance paying their water bill.
