

Current Volunteer Opportunities

Graphic Design

If you have a knack for creativity and visual storytelling, volunteering your graphic design skills can make a significant impact. Almost Home needs help creating eye-catching digital marketing material, flyers, brochures, social media graphics, and other visual materials to promote their causes. Your designs can help increase awareness, attract more volunteers, and secure donations.

Website Design

In today's digital age, a well-designed website is crucial for any organization. Volunteering your website design skills can help Almost Home establish a strong online presence. This could involve redesigning or updating our website, ensuring it's user-friendly, mobile-responsive, and packed with engaging content. A seamless online experience can make it easier for people to learn about our mission and get involved.

Join Our Special Events Committee

If you thrive in social settings and have a talent for planning and organizing, consider joining our Special Events Committee. Volunteers on this committee help plan and execute events such as our Spring Out of Homelessness benefit, our Concert for a Cause fundraiser, community fairs, and awareness campaigns. Your role might include coordinating logistics, securing sponsorships, marketing the event, and ensuring everything runs smoothly on the day of the event. Your efforts can help raise crucial funds and awareness for Almost Home.

Coordinate a Collection Drive

Collection drives are essential for gathering needed items such as hygiene items, blankets, Welcome Home baskets or pillows for the families and individuals we serve. Volunteers can organize and run these drives by coordinating with local businesses, schools, and community centers. This opportunity is great for those with strong organizational and communication skills. Your work ensures that essential items reach those who need them most.

Family Shelter Seasonal Yard Cleanup

Our family shelter needs seasonal assistance with maintaining their outdoor spaces. Volunteering for a seasonal yard cleanup involves tasks like raking leaves, planting flowers, trimming bushes, pulling weeds and general landscaping. This is an excellent opportunity for those who enjoy working outdoors and want to contribute to creating a welcoming environment for shelter residents.

Family Shelter Supplies Organization

Our family shelter receives many donations of supplies needed for the families living there. Volunteers can help by organizing these supplies, ensuring that they are properly sorted, labeled, and stored. This role is ideal for individuals who are detail-oriented and enjoy creating order out of chaos. Your efforts help the shelter operate more efficiently and ensure that residents have easy access to the supplies they need.
