Almost Home Donors (October 2019 – September 2020)

Almost Home is deeply grateful to those that support our organization with a financial investment. Listed are those that have made a financial contribution to Almost Home during the past 12-month period. We would not be able to help the hundreds of families served without your generous donations!

Those listed in bold are members of our *Circle of Hope* monthly giving club.

Contact Rachel Monroe to set-up a monthly donation and join the growing list of *Circle of Hope* members.
