

*Promoting self-sufficiency and providing assistance to those experiencing housing instability.*

At Almost Home we prevent and confront homelessness in Adams and Weld County through our 3 Emergency Assistance Programs:

- Homeless Prevention
- Emergency Shelter and Outreach
- Supportive Housing

Our targeted services help our clients develop the skills and obtain the resources to reach long-term self-sufficiency.

Each of our three programs are designed to make homelessness rare, brief or one time.

#### WHY ARE OUR SERVICES SO IMPORTANT?

In Adams County, the fair market rent for a two-bedroom apartment is \$1,566. In order to afford this, a household must earn at least \$62,640/year.

To afford a \$1,566/month rental, a single wage earner would need to be paid \$30.12/hour to live comfortably & a minimum wage worker must work 100 hours per week to afford the same rental.

In 2021, more than half a million Coloradans are at risk of homelessness. The Bell Policy Center reports that 520,000 people either missed their rent or mortgage payment or have slight or no confidence that their household can pay next month's rent or mortgage on time.

The top reasons given for homelessness are:

1. Loss of employment
2. Lack of affordable housing
3. Poverty
4. Domestic violence, divorce, relationship breakup
