Dear Community Supporter,

Each day we help families and individuals at risk of or experiencing homelessness overcome obstacles. We are living in a world where every dollar counts, every dollar makes an impact, and every dollar helps our clients move from a crisis into confidence.

While we have increased our grant writing to bring in new funds to meet the overwhelming need, it does not cover the full extent of the need. One way to fill the funding gap, is our upcoming **Annual Blues, Brews & BBQ Fundraiser** to be held on Friday, June 17 at Todd Creek Golf Club.

This annual is guaranteed to quickly sell-out with over 200 community members, business leaders and elected officials in attendance. The event will host both a silent and live auction, and we are hoping you would kindly consider a donation to the auction to help us raise funds and ensure the success of the event.

Your generous donation to our silent auction will not only showcase your commitment to the community but will also support Almost Home in furthering our mission and helping to ensure that homelessness is rare, brief and one-time for the families we serve.

Thank you for your consideration in supporting Almost Home and helping to provide a brighter and more stable future for families navigating the challenges of homelessness and housing instability in our community. Together, we can collaborate to make an impact, change lives and end homelessness in our community.

With Gratitude,

Rachel Monroe
Interim Executive Director

Our Programs

At Almost Home we prevent and confront homelessness in Adams and Weld County through our three Emergency Assistance Programs. Our targeted programs and services help our clients develop the skills and obtain the resources needed to reach long-term self-sufficiency.

Homeless Prevention

Our Homeless Prevention Program provides Emergency Assistance and short-term case management to households at risk of eviction or foreclosure as well as to households at risk of utility shut-offs.

Emergency Shelter & Outreach

Our Emergency Family Shelter provides safe & secure shelter for families experiencing literal homelessness. Our Severe Weather Activation Program (SWAP) provides motel vouchers to households experiencing homelessness during periods of severe weather.

Supportive Housing

Our Supportive Housing Programs provide Emergency Assistance and ongoing supportive, home based case management services to help ensure housing stability and long-term self-sufficiency.
